

WHO'S READY FOR SOME FUN?

SUNSTREAM
SUNLIFT™

The Sunstream SunLift™ combines powerful hydraulic technology, durable components and sophisticated engineering to deliver a fast and reliable lifting and launching experience for your boat or personal watercraft. Now you can use your boat as easily as you use your car, and get out on the water more often, with more fun. Remote control with optional motor-stop and guide-on systems make operating and docking easy for even for an inexperienced skipper. Designed with the user in mind, the SunLift™ pioneered the hydraulic freestanding boat lift revolution, and is still known for its reliability, durable construction and safe design. With over sixteen years of service in salt and freshwater environments, the SunLift™ is refined and proven. Sunstream's wide range of accessories optimizes the lift for your specific needs.

DURABLE CONSTRUCTION

- Underwater-designed hydraulics with boot, scraper and scrubber, plus stainless rams, stainless hose fittings for fresh or salt water
- Patented SuperBunks™ are better for your hull and more durable
- Corrosion-resistant aluminum structure with stainless steel hardware
- Decorative and durable lockable fiberglass PowerPack box

DESIGNED FOR EASY USE

- Fast and quiet
- Water-resistant transmitters, and advanced remote control technology
- Patented Shallow-water roller kit requires least amount of water depth
- Solar or AC charged, with most complete line of accessories

SAFE & RELIABLE

- Patented Over-center GravityLock™ safety designed to keep boat up
- Environmentally-friendly, water-soluble hydraulic fluid
- Industry leading 3 year warranty on components as well as structure
- Models from 2,000 to 32,000 lbs, up to 6 feet of lifting range and up to 22 feet of depth

THE ORIGINAL PREMIUM FREESTANDING HYDRAULIC BOAT LIFT
